A day you'll remember forever deserves a setting you'll never forget – at The Assembly House we can make your dream wedding a reality.

The Setting

This Georgian gem in the heart of the city has been hosting fabulous celebrations for centuries.

Designed by architect Thomas Ivory in 1754, no expense was spared in the construction of The Assembly House and while historians view it as one of the most important buildings in Norwich and a magnificent example of historic architecture, we would simply describe it as the most beautiful wedding venue in Norfolk.

The Grade I-listed splendour of the House is evident from the moment you approach our sweeping driveway and, once inside, there is romance hidden around every corner, from the sparkling chandeliers that make evenings and ceremonies glitter to the gorgeous gardens where you can sip ice-cold Champagne, the beautiful balconies that are perfect for photo opportunities to the luxury bedrooms packed with sumptuous details.

Every wedding is tailored to your exact requirements and with only one wedding taking place at a time at The Assembly House, you can be assured that you will be the centre of attention from the moment you arrive until the moment you leave thanks to our dedicated wedding planners and award-winning Front of House team.

We are licensed for marriages and civil partnership ceremonies every day of the week and offer a fabulous selection of rooms in a choice of sizes and styles for the wonderful day when you become Mr and Mrs, Mrs and Mrs or Mr and Mr!
